

The Leukemia & Lymphoma Society's Resources for Healthcare Professionals

- ❑ Online and in-person *free* CME and CE courses for healthcare professionals: www.LLS.org/CE
 - ❑ Resources and publications: www.LLS.org/CE
 - ❑ Including our *Free Healthcare Professional Resources* flyer, which provides additional information and user-friendly links.
 - ❑ *Staying Connected: Facilitating the Learning Experience During and After Cancer Treatment*, online CE program for school nurses, social workers, teachers, and others. Focuses on medical, education & psychosocial support for children & AYAs treated for any type of cancer – www.LLS.org/StayingConnected
 - ❑ *Treating Blood Cancers* podcast series for healthcare professionals: www.LLS.org/HCPpodcast. Experts discuss the latest developments in blood cancers, new and emerging treatment options, side-effect management, survivorship issues, and more. Topics include:
 - ❑ Treating Children with Cancer during the COVID-19 Pandemic
 - ❑ Long-Term & Late Effects of Childhood Cancer
 - ❑ Unique Challenges for YA Cancer Survivors
 - ❑ Childhood Blood Cancers, Focus on ALL
 - ❑ *Genomics Essentials in Hematologic Malignancies (GENOM)*. Series of interactive webinars on foundational understanding of genomics, current applications and advances, and practical strategies to apply to treating patients: www.LLS.org/CE
 - ❑ **LLS Online Community**: A community of blood cancer patients, survivors, caregivers, and healthcare professionals. We're here to support you, give you trusted information and resources, and help you feel connected: www.LLS.org/community
 - ❑ **Information Resource Specialists**: Highly trained social workers, nurses, and health educators help patients and caregivers learn about disease, treatment, and support resources, including financial & social challenges. www.LLS.org/IRC
 - ❑ **Clinical Trial Nurse Navigators**: help patients and caregivers find & enroll in clinical trials based upon detailed, individualized assessments & provide support throughout the entire clinical trial process. They also work with healthcare professionals to find trials & connect patients.
www.LLS.org/navigation
 - ❑ Refer your patient directly – www.LLS.org/CTSCreferral
- Our support team **provides an additional resource to your HCP team.**
